Private Spa Service

On Ibiza, we're blessed with our own little corner of Balearic bliss that's home to an abundance of natural beauty and energy. It's the perfect place to revitalise body and mind, and our highly-trained health experts are on hand at any time to help you embrace the sense of calm the island instills, in the comfort of your own surroundings. Our team provides a full range of rejuvenating bodywork, massage and beauty treatments, including everything from personal training and yoga exercises to medical services and detox programs. We specialise in developing a bespoke plan just for you, which means you're free to reset body and mind at your very own White Isle wellness retreat.

Our Team

At Ibiza Balance we're dedicated to providing comprehensive care and guidance, so your personalised program will combine both traditional and recently-developed therapies and treatments, with both Eastern and Western influences. Our team of highly-qualified therapists travel all across the island to bring a range of services to your door. Whether it's an indulging facial or a fitness program designed to get you fit in time for summer, our complete portfolio of services ensures your every need is met by a committed, professional team whose sole aim is to help you on the path to wellness.

Ibiza Balance Massage & Relax

Take a day off from daily life with an Ibiza Balance massage.

Detoxification Massage

60 minutes.....€120

The aim is to release toxins and increase blood circulation. Boost your immune system and restore your body's natural balance with a combination of deep fascia work, stimulation of organs and reflexology. It is used as a treatment for bloated abdomen, skeletal muscle immobility, pain resulting from unhealthy life habits.

Deep Connection Massage

60 minutes.....€120

This massage is about presence and attention, a fusion of various massage techniques around the world. The intention is to move the energy through the touch of the physical body, creating an energy field where the body is invited to relax in such a deep way, that there is a transformation at many levels.

Ibiza Balance Signature Massage

75 minutes.....€180

A holistic massage developed by Ibiza Balance professionals, this massage includes a range of Western and Asian techniques. Therapeutic pressure is applied to create a unique and personalised massage experience just for you.

Ibiza Relax Massage

60 minutes.....€120

This truly relaxing treatment includes thumb pressure and skin rolling combined with stretching, followed by a session of head, neck and face acupressure. A healing, medium pressure massage that soothes, relaxes and energises.

Balinese Massage

60 minutes.....€120

Works great for restoring vitality with big and rhythmical movements with the palm of the hand together with acupressure techniques to stimulate and energize the body.

Wood Therapy

60 minutes.....€120

This is a body contouring treatment to firm and mold the localized fat, toning and reducing cellulite and flaccidity by using essential oils with reducing properties together with the wooden accessories that adapt to the different areas of the body.

Ayurveda Massage

60 minutes.....€120

Warm sesame oil is drizzled all over your body to relax body and mind from toes to top. This treatment helps to detoxify, stimulate lymphatic system, purify the body, restore your skin health and balance body-mind.

Foot Reflexology

60 minutes..... €120

Relieves tension through pressure applied to reflex points on the feet, which are connected to every part of the body, including glands and organs. This treatment can improve circulation and help promote the natural function of related organs.

Shiatsu

60 minutes.....€140

This holistic Japanese therapy applies finger and palm pressure to the body's meridians and includes stretches and other massage techniques. The result is physical and mental balance encouraged by the proper flow of qi – our life energy.

Pregnancy Massage

60 minutes.....€120

This specially designed prenatal treatment accommodates all stages of pregnancy after the first trimester. Consisting of relaxing acupressure and stretching, it improves blood circulation to the legs and feet. This is followed by a full body massage done in a side position.

Renata França Massage

60 minutes.....€140

This sculpting massage applies vigorous, fast and firm movements along the whole body. This technique presents surprising results, as it was conceived to model adipocytes, giving the body a new shape.

Traditional Thai Massage

60 minutes.....€140

Acupressure unblocks trapped energy from the body's meridians and releases tension. It includes intensive stretching of all major muscle groups and the mobilisation of joints. No oil is applied to the skin so please wear comfortable clothing.

Ibiza Balance Bodywork & Therapy

Take action now to respond to your body's needs.

Deep Tissue & Sports Massage

60 minutes..... €140

This massage works with strong pressure techniques and stretches. Ideal for chronic stiffness and soreness, it releases areas of congestion, loosens muscle tissue, releases toxins and promotes circulation of oxygen. The therapist adapts the treatment to personal needs and can target specific areas.

Cupping Therapy & Deep Tissue Massage

60 minutes..... €140

Cupping therapy is an ancient form of alternative medicine in which we use special cups on target areas to create suction. The treatment invigorates local circulation of qi and blood in the area being treated, resolving swelling, pain, and tension, as well as loosening connective tissue. It's followed by an intensive deep tissue massage to release stiffness and soreness.

EXPERIENCE OUR SIGNATURE TREATMENT
MOBILE OR AT SPA BOTAFOCH

Lymphatic Drainage

60 minutes..... €120

Smooth, rhythmical stroking movements encourage natural drainage of lymphatic vessels, reducing cellulite, water retention and swelling of tissues.

Acupuncture

60 minutes..... €140

Stimulation of Chinese medicine acupuncture points helps to restore flow of vital energy through the body's meridians. It's followed by deep tissue massage or cupping therapy to release areas of congestion. Effective for reducing back pain, migraine and burnout, as well as pelvic and back pain during pregnancy.

Craniosacral Therapy

60 minutes..... €140

A gentle hands-on approach that releases tensions deep in the body to relieve pain and dysfunction and improve whole-body health and performance.

Physiotherapy

60 minutes..... €140

Restores movement and function when affected by injury, illness and disability. The treatment is focused on therapeutic movements and manual therapy to help improve flexibility of the muscles and joints. This form of therapy can help scoliosis, lower back pain, thoracic stiffness and other conditions.

Osteopathy

60 minutes..... €140

Osteopathy evaluates the whole body but focuses more on manipulation and structural alignment. This form of therapy improves the flexibility of the skeleton, organs and joints. Treatment can be targeted to focus on specific symptoms such as prolapsed disc, sciatica, neck pain, frozen shoulder, colon disease and other conditions.

Myofascial Release

60 minutes..... €140

This is a safe and very effective hands-on technique that involves applying gentle sustained pressure into the Myofascial connective tissue restrictions to eliminate pain and restore motion.

Acupressure Massage Therapy

60 minutes..... €140

The therapeutic massage involves applying firm pressure and slow strokes to reach deeper layers of muscle and fascia. It's used for chronic aches and pain and contracted areas such as a stiff neck and upper back, low back pain, leg muscle tightness, and sore shoulders.

The APA Method

60 minutes..... €140

The APA method is a complete session that brings in different types Sports Massage, Soft Tissue Therapy, Slimming Lymphatic Drainage and Joint Mobility to help you be and stay at your best.

Ibiza Balance Beauty

Enjoy our holistic facials based on natural oils and essential oils.

Ibiza Balance Facial Treatments

Face Cupping

60 minutes..... €130

This treatment increase blood circulation and stimulates the facial cells that are responsible for collagen production. In turn, it brightens the skin, minimize the appearance of scars, fine lines and wrinkles, and tone your chin, jawline, and neck by decreasing puffiness.

Kobido Facial

60 minutes..... €130

Japanese Kobido massage is an ancient technique that will non-invasively improve the oval of the face, firm the skin and smooth wrinkles. The treatment works on deep skin structures, muscles and fascia (facial muscles training). This is the most technologically advanced form of Japanese facial massage, which uses the most complex manual techniques.

Microneedling Face..... €140

Microneedling Face and Neck..... €170

Face Gym

60 minutes..... €130

FaceGym is a workout, not a facial, that uses high-energy kneading movements and cutting-edge technology meant to tone and tighten the muscles in the face. Stronger muscles mean tighter, firmer skin and a reduction in fine lines and wrinkles.

Hydration Pure

60 minutes..... €130

This deeply effective treatment restores hydration in the skin through a bespoke combination of exfoliation, rehydration and regeneration using natural products. Skin is left nourished, supple and replenished after just one concise session, reducing signs of ageing and the daily stresses of life so often displayed on the face.

Ayurvedic Facial

60 minutes..... €130

This beauty ritual inspired by the Ayurvedic philosophy made with powdered medicinal herbs, essences and tonics of natural origin. Ideal to treat the skin and balance its imperfections. Benefit from a nourished and moisturised skin.

Ibiza Balance Ayurveda

Make health and beauty part of your monthly ritual.

Marma & Abhyangam Massage

60 minutes..... €120

This massage combines pressure points and active steps with hot oils, aims to activate energy, move any blockage or toxin in the body and helps to eliminate it. It improves the quality of the physical and mental body for the prevention and maintenance of good health.

Additional Treatments..... €20

To improve and personalize the experience, any of these options can be added to the Marma & Abhyangam Massage.

Pinda

Herbal stamps made up of a natural preparation of aromatic and medicinal herbs that are mixed with essential oils and heated by steam. These are applied to the body to enhance its soothing, hydrating, and detoxifying properties.

Udwartanam

Specially prepared herbal paste that gets massaged over the body. It is a treatment used to support weight loss or detoxification programs.

Garshan

The massage made with the help of pure silk gloves removes toxins, that accumulate in the fluid among the cells, stimulates circulation and lymphatic system.

Nasya

This treatment applies herbal oils through the nasal route and benefits disorders of ears, nose & throat. Nasya helps to lubricate the nasal passage, clean out mucous and sinuses, improves voice, mental clarity and vision.

Karnapooran

Warm medicated oil is gently poured into the ears. It lubricates the delicate filaments of the ear canal which sharpens hearing and removes impurities. It benefits disorders like sleeplessness, depression and stress migraines.

Facial Tools

Rose quartz suction cup and Guasha. Reduces inflammation, fluid retention, spots and wrinkles. Activates collagen.

Shirodhara

60 minutes..... €120

One of the most special treatments you can experience.

By pouring a flow of warm oil on the forehead, it works directly on the nervous system to provide a maximum feeling of relaxation and expansion.

Improves anxiety, digestion, memory, voice clarity.

Dosha Study

30 minutes..... €50

VATA, PITTA & KAPHA

According to Ayurveda, these three profiles govern the physical and mental state. A complete study will identify, which type has predominance and the therapist will proceed with recommendations of daily and nutritional routines, that help to balance the organism and improve health and quality of life.

An innovative practice suitable for everyone, inspired by Yoga, Pilates, GyroTonic and Calisthenics. Through the free movement in every single direction, supported by the AntiGravity hammock and combined with the zero compression inversion, it has profound and immediate physical and mental benefits.....€140

Hatha Yoga

The umbrella term to describe many of the most common forms of yoga. It moves the body slowly and deliberately into different poses to challenge strength and flexibility, while at the same time focusing and relaxation and mindfulness. An important aspect of this type of yoga is building core strength, which is key to good posture.

Vinyasa Yoga

Also known as flow yoga , power yoga or dynamic yoga. The movement is coordinated with the breath and movement to flow from one pose to another.

A Vinyasa class will leave you feeling energized and connected to your body and your breath.

Yin Yoga

A calm and slow form of yoga that focuses on the holding of poses for several minutes to achieve an extremely deep stretch- not just the muscles, but also of the connective tissues. A typical Yin Yoga class cycles less through as many poses as a typical Hatha or Vinyasa class, but will focus on going deep within each pose, and the use of the breath to stay in the poses is an important part of the class. You will leave this class feeling deeply relaxed and much limper.

Ashtanga Yoga

A vigorous and energetic form of yoga, moving from pose to pose continuously and dynamically. It's the dynamic form of Hatha yoga, is as well great physical therapy and good for expanding lungs and therefore the breath will be deeper and better. The breath is Ashtangas mantra. When practicing Ashtanga yoga you increase stamina and strength, improve flexibility, muscle tone and joint mobility.

Iyengar Yoga

A focus on the alignment of posture with an emphasis on anatomy. It is based on the traditional eight limbs of yoga, each pose tends to involve a long hold, which helps to develop your strength, stability and awareness. You will aligned your mind with your body and it brings lightness in mind and bones.

Power Yoga

Increase stamina, flexibility, posture and mental focus. Like any other physical activity, it makes you sweat and toxins are released out of your body. It helps in burning more calories than any other form of yoga. Power yoga also helps you in relieving stress and lowers your blood pressure as well.

Ibiza Balance Trainings

Ibiza Balance lets you experience the perfect active Ibiza getaway.

Ibiza Balance Personal Training

A personalised program designed to help achieve individual fitness goals; our aim is to help you reach your personal version of the best, so fitness beginners and those who exercise regularly are all welcomed. From increasing upper body strength to improving tone or developing long term fitness habits, our one on one instruction enables optimal results.

Individual Classes

60 minutesfrom €120

Group Classes

60 minutes from €140*

*up to 3 people, €10 surcharge for each additional person.

Functional Training

The essence is about a complete full body workout in one session, using the body's natural weight in all aspects of the training. Sessions including activities such as: jump, balance, strength, co-ordination, power, flexibility and general resistance. It's a workout that will improve your strength as well as cardio.

Boxing Pad Work

Boxing helps to reduce tension, increase endurance whilst working out the entire body to improve agility whilst losing weight & toning the body. Learn to throw punch combinations, slip and roll with foot work drills. After the training you will feel energised and strong.

Muay Thai Boxing

Is a martial art and combat sport that uses stand-up striking along with various clinching techniques. This discipline is known as the "art of eight limbs" as it is characterised by the combined use of fists, elbows, knees and shins. Everything you need for self defence. You will feel like a true warrior after training!

Pep & Punch

A mindful kickboxing class where you discover contact sports on a new level. This group session makes interaction between each other playful, pro-active, strong and self-assured. You will get into your mindful shape, release some anxiety & emotional blockages, while you gain more core-stability & learn more about your healthy boundaries.

Sport Conditioning

Train like an athlete through full body circuits using targeted resistance training. Build greater strength, power, speed, agility, co-ordination and balance. You will grow stronger in no time and won't get tired as easily.

Kettle Bell

Is a singular weight that resembles a ball with a handle. The shape and size of the kettle bell makes it a flexible piece of equipment to work all parts of the body. Using different exercises the kettle bell will not only help you increase strength and flexibility but at the same time strengthen your core & back. This is an excellent method for toning the body and weight loss.

Circuit Training

Body conditioning, that involves endurance training, resistance training, high-intensity aerobics, and exercises performed in a circuit, similar to high-intensity interval training. It targets strength building and muscular endurance.

Aqua Fitness

Water-based aerobic and body conditioning for any fitness level. Ideal for anyone with restricted mobility, rehabilitation, for general fitness and cross training.

Pilates

A range of precise movements designed to stretch and strengthen muscle without adding bulk. Pilates improves inner strength, increases stamina and is a powerful tool in achieving physical wellbeing.

Ibiza Balance Holistic

Conscious practices are an invitation to give yourself space and time to slow down and disconnect from your daily routine in order to be more present in life.

Sound Healing Meditation

Enjoy the high quality frequencies of the crystal bowls and receive the benefit of a deep relaxation to connect with your inner peace. Crystal bowls help to balance the chakra system and re-energize the auric field. Expand and dissolve yourself into oneness with the vibrations of the gongs. Guided by well-known holistic healers of the island.

Combine with a Handpan and shamanic flute musician to bring the whole meditation to an even higher level. Receive a beautiful magical experience, a memory for life. A private event for yourself, partner, family or group of friends.

Hang Drum

Live Music Performance.

An evening of intimate music, with the sounds of the Handpan, the shamanic flute and vocals serenading your time.

A perfect way to relax, enjoying this musical concert at home under the stars or indoors, during or just after a private bespoke dinner, tailored to your wishes by one of Ibiza Balance's excellent chefs. Definitely a night to remember.

Blessingway

Mother blessing is a spiritual celebration of a woman's transition into motherhood that's rooted in Navajo culture. It is a spiritual gathering of the woman's closest friends and family who come to nurture the mama-to-be with wise words and pampering, the ceremony will be guided by our lovely doula.

We highly recommend to book this in combination with our pregnant belly paint artist to capture the beauty of the growing belly of the mommy to be.

Ibiza Balance Cold Pressed Juices

Cold pressed juices are the most nutritious and delicious way to drink. We extract the nectar directly from fruit and vegetables with a cold press juicer, allowing enzymes to stay alive so you can enjoy a raw juice bursting with vitamins, minerals and pure flavour.

Ibiza Balance Juice Cleanses

Your body is designed to detoxify naturally, but while cleansing you speed up the process of rejuvenation. The liver, kidneys and skin are always working hard on processing all the stuff put into your body, but following a juice cleanse for a number of days allows your digestive system to take a break from processing solid food. In turn, this energy can be used for cleaning and healing the body, ridding yourself of toxins and excess weight along the way.

Benefits of Juice Cleanses

Maximum nutrition
Alkalise blood pH.
Boost energy levels.
Strengthen your immune system.

Ibiza Balance Chef Services

Our team of highly-trained chefs cover all range of cuisines - from macrobiotic to vegan to vegetarian, whatever your preference, we pride ourselves on creating delicious fare for every dietary requirement. Whether you're looking for private dining for a family or catering for a special event, our chefs source all of their fruit and vegetables from local organic farms, ensuring only the purest Ibiza flavours make it to the plate. With a combination of varied styles and trends, they produce healthy dishes and harmonious combinations to complement our bodies' natural needs and to tantalise the tastebuds.

Raw Food Chef Service

Composed of mostly raw, fresh and unprocessed ingredients. The food is not refined, pasteurized, treated with pesticides or processed in any form during the preparation process. This diet allows several alternative preparation methods, such as juicing, blending, dehydrating, soaking and sprouting. Similar to veganism, the raw food diet is usually plant-based, being made up mostly of fruits, vegetables, nuts and seeds. It's a great way to detox the body and mind. Enjoy colourful and delicious rainbow meals.

Macrobiotic Chef Service

The Macrobiotic Diet combines the concepts of spirituality and certain dietary principles with the goal of balancing spiritual and physical wellness. The Macrobiotic Diet aims to avoid the toxins that come from the consumption of dairy products, meats, and oily foods. A macrobiotic diet consists largely of whole grains, cereals, and cooked vegetables. Let our highly-trained chefs pamper you with delicious meals made with love.

Ayurvedic Chef Service

Is a meal plan based on the principles of Ayurvedic Medicine, a form of traditional medicine that dates back thousands of years. The diet involves eating or limiting certain foods based on individual body type, which are claimed to

promote weight loss and support mindfulness. Let our Ayurvedic Chef find out your most predominant dosha in order to make the most nutritious and delicious meals for you to improve your health and quality of life. We highly recommend to combine the diet with our 7 Days Ayurvedic Massage Package to support the body during detox.

Keto Chef Services

Well known for being a low carb diet, where the body produces ketones in the liver to be used as energy. Overloading with fats and taking away carbohydrates, the body will begin to burn ketones as the primary energy source. Optimal ketone levels offer many health, weight loss, physical and mental performance benefits. Make keto simple and easy by letting Ibiza Balance high qualified Keto Chefs prepare delicious Keto meals and snacks so that you get or stay in ketosis during your Ibiza getaway.

Please make reservations early so that we can provide the treatment of your choice at your preferred times.

A 20% surcharge is added to our quoted prices for treatment starting after 10 PM.

Contact Ibiza Balance at +34 629 939 772 for rescheduling or cancellation. Cancellation less than 12 hours prior to the treatment will be charged the full rate quoted.

Please note that if you arrive more than 15 minutes late for a treatment, the session may be cancelled and the full rate charged. As a courtesy to other clients, we kindly request that you come at the appointed time.

Please inform us about any health issues and ailments you may have, such as allergies, accidents, injuries or other issues.

We offer prenatal spa treatments. The Ibiza Balance team will be happy to recommend suitable treatments.

Some locations on Ibiza have an additional travel surcharge of €10 per visit for a single one-hour booking. There is no travel surcharge for booking one therapist for more than one hour.

All our prices are subject to additional 21% VAT. We will be happy to assist you with any questions and bookings.

Thank you for your cooperation!
